

Five Ways to Improve Patient Care and Research Using Information Resources *healthlinks.washington.edu/hsl/liaisons/stanna/pedpulm.doc*

- 1. Connect to UW Restricted Online Resources Via the Proxy Service**
healthlinks.washington.edu/howto/connect

- 2. Bookmark HealthLinks**
healthlinks.washington.edu

- a. **Explore the Care Provider Toolkit**
healthlinks.washington.edu/care_provider
- b. **Explore e-Textbooks**
healthlinks.washington.edu/textbooks
 - i. UpToDate
 - ii. AccessMedicine
 - iii. Clin-eguide
 - iv. DynaMed
 - v. MD Consult
 - vi. STAT!Ref
- c. **Explore PDA and Handheld Accessible Resources**
healthlinks.washington.edu/howto/pda
 - i. DynaMed
 - ii. Essential Evidence Plus
- d. **Images**
healthlinks.washington.edu/howto/image/
- e. **Podcasts**
healthlinks.washington.edu/howto/podcasts/

- 3. Search a Database to Find Journal Articles**
healthlinks.washington.edu/databases

- a. PubMed
 - i. Advanced Search
- b. Web of Science
 - i. Impact Factors
healthlinks.washington.edu/howto/impactfactors.html
- c. e-Journals
healthlinks.washington.edu/contentBrowser.jsp
- d. BioMed Central and PubMed Central for Open Access Journals
www.biomedcentral.com
pubmedcentral.gov
- e. NIH Open Access Mandate
see healthlinks.washington.edu/hsl/scholcom/

4. Search for Evidence

healthlinks.washington.edu/ebp

- a. PubMed Clinical Queries and Systematic Reviews
- b. Cochrane Library
- c. National Guideline Clearinghouse
- d. TRIP Database

5. Manage Your Information

a. Keep Current with Email Alert Services

healthlinks.washington.edu/howto/alerts.html

- i. My NCBI in PubMed healthlinks.washington.edu/howto/myncbi.html

b. Keep up with HSL Changes

- i. Check with HealthLinks frontpage
- ii. Sign up for email messages
mailman.u.washington.edu/mailman/listinfo/hsl-news
- iii. Add an RSS feed

c. Organize your information

- i. Citation Management Programs
 1. EndNote/EndNote Web
healthlinks.washington.edu/howto/enweb.html
 2. RefWorks
www.lib.washington.edu/ougl/refworks/
- ii. Quosa
healthlinks.washington.edu/howto/quosa/

And, contact your Ultimate Search Engine... your librarian!

UW Health Sciences Libraries Liaisons to the Department of Pediatrics:

Janet G. Schnall, MS, AHIP
schnall@u.washington.edu
healthlinks.washington.edu/hsl/liaisons/schnall

Leilani St. Anna, MLIS, AHIP
lstanna@u.washington.edu
healthlinks.washington.edu/hsl/liaisons/stanna

The resources mentioned in this presentation may be found

- On the HealthLinks Care Provider Toolkit: healthlinks.washington.edu/care_provider
- By using the HealthLinks search engine on any HealthLinks page
- By reviewing the links cited in today's PowerPoint presentation:
