

UW Libraries Visible Body Apps Instructions

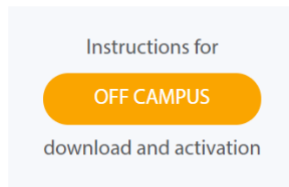

1. Log in to either [Visible Body : Anatomy & Physiology](#) or [Visible Body : Human Anatomy Atlas](#)
2. Select product to explore, scroll down slightly, and select Mobile Apps

Mobile Apps >

If your subscription includes mobile access, this mobile apps page provides versions of the app you can download to your Android, iPhone, or iPad.

3. Select instructions for off campus (even if you are on campus)

By accessing the links above, you are already logged in to the campus library portal.

4. Select the app you want to download. *You may download both, one at a time*

Anatomy & Physiology

Human Anatomy Atlas

5. In the pop up that appears enter and submit your email (*use your UW @uw.edu email*). Notice that a "Verification Code" option appears. Leave this web page open.
6. Check your email for a verification code. Copy that code to your clipboard. Paste it into the "Verification Code" option on the web page and submit.
7. Save the username and password provided (*it will be sent to your @uw.edu email too*).
8. Use the link provided to download the mobile app. Launch the app. On the activation screen, enter the username and password provided. Your access will be valid for 150 days.
